MYSORE DISTRICT.

Abstract Notification dated 26th February 1923.

It is hereby notified that, as per detailed notification dated 19th February 1923, published on pages 120 and 121, Part VI of the *Mysore Gazette* dated 1st March 1923, sales and resales of timber will be conducted in the Begur, Sargur, Hampapur, Ballagadde, Chamrajnagar, Sunkadakatte, Periyapatna and Hunsur Depots on the dates from 8th to 15th March next.

M. MACHAIYA,
District Forest Officer.

SAGAR FOREST DIVISION.

Abstract Notification dated 9th February 1923.

The attention of the public is invited to the detailed notification of timber sales in the several Depots of the Division, published on page 95, Part VI of the *Mysore Gazette*, dated 22nd February 1923.

C. ABDUL JABBAR,
District Forest Officer.

BHADRAVATI DIVISION.

Abstract Notification dated 17th February 1923.

The attention of the public is invited to the notification dated 17th February 1923, published on page 94, Part VI of the *Mysore Gazette*, in the matter of the auction sale of timber in the several depots of this Division.

Abstract Notification dated 22nd February 1923.

It is hereby notified for general information that the right of the collection and removal of tangadi and kakke barks in Government lands of Channagiri Taluk, from the date of confirmation of the sale up to end of June 1923, will be resold on the 12th March 1923 in the Range Forest Office, Channagiri, by the District Forest Officer, Bhadravati Division, or other officer to be deputed by him. For further particulars, the attention of the public is invited to the detailed notification, dated 16th February 1923, published in page 94, Part VI of the *Mysore Gazette*, dated 22nd February 1923.

K. REVANNA,
District Forest Officer.

ENGINEERING DEPARTMENT.

KRISHNARAJASAGARA WORKS.

Notification dated 27th February 1923.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Dam Construction Division, Krishnarajasagara, up to 15th April 1923, for the supply of shed materials for the use of Krishnarajasagara Works on the North and South Banks from 1st May 1923 to end of 30th April 1924.

2. An approximate estimate of quantities required is given against each item in the list. These quantities are not guaranteed.

3. Tenders should be submitted on printed forms which may be obtained from the undersigned's Office and accompanied by a list in the form given below, showing the rates at which the different items specified in the list will be supplied.

4. Each tender must be accompanied by a deposit of Rs. 200 as earnest money and be superscribed, "Tenders for the supply of shed materials for the North and South Banks," in default of which, tenders will be rejected. The earnest money of the unsuccessful tenderers will be refunded.

5. The final acceptance of tenders will rest with the Chief Engineer, Irrigation, Bangalore, who does not bind himself to accept the lowest of any of the tenders or assign any reason whatever for the rejection of any tender.

6. The name of the successful competitor whose tender will be accepted will be posted on the notice board in the undersigned's Office, and also intimated to him in the usual course. No enquiries regarding the acceptance or rejection of tender will receive attention.

7. The rate tendered for each item should be for delivery at work site on either bank and separate tenders should be given for North and South Banks.

8. List of approximate quantity of shed materials for the use of North and South Banks of the Krishnarajasagara Works.

N. KRISHNIENGAR,
For *Executive Engineer, Dam Construction Dn.*

MISCELLANEOUS DEPARTMENTS.

GOVERNMENT OF MYSORE ELECTRICAL DEPARTMENT.

Dated 26th February 1923.

Notice is hereby given that sealed tenders will be received at the Office of the Chief Electrical Engineer to the Government of Mysore, up to 12 noon of Thursday the 29th March 1923, for constructing a compound wall around the Bangalore Power and Lighting Stores and Workshop, Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of May 1923.

2. The plans, detailed estimate and conditions may be seen at the Chief Electrical Engineer's Office at Bangalore between the hours of 11 A.M. and 4 P.M. on working days.

3. Tenders should be submitted on printed forms, which may be obtained from the Chief Electrical Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items of work specified, will be executed.

4. Each tender must be accompanied by a deposit of Rs. 200 in cash or Government Promissory Notes, as earnest money, and be superscribed "tenders for constructing a compound wall around the Bangalore Power and Lighting Stores and Workshop, Bangalore," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Electrical Engineer to the Government of Mysore, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Chief Electrical Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
